Docket No. 98N-1265 MAR 24 P1 58  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I had to get a NATURAL Hormone made by  
Madison Pharmacy Associates by the advice of my  
Dr. He had started me on Regular therapy and I could  
NOT take it, because it caused me to have severe leg cramps.  
So, he suggested trying a NATURAL progesterone, which they  
make at this pharmacy in Wisconsin. I cannot buy it  
locally, because I tried to get it at our local drug  
store. I am satisfied with this medication and the service I  
get from this pharmacy. The pharmacy is located in  
Madison, Wisconsin, Women's Health America Inc.  
Madison Pharmacy Associates, Inc. 429 GAMMON A. P.O. Box  
259641, Madison, Wisconsin 53791-7999.  
I AM AGAINST your MOU. I do not like the idea of the  
unavailability of medication that I need and keeps me  
healthy as a woman.
